

SiliconPV

2nd International Conference
on Crystalline Silicon Photovoltaics **2012**

www.siliconpv.com

Advanced and novel processing technologies
for next generation crystalline Si solar cells and modules

April 3-5, 2012 · Leuven, Belgium

Scientific Topics: Junction formation ■ Surface morphology and passivation
■ Advanced characterization and simulation ■ Process integration ■
Structuring and contact formation ■ Module integration ■ Material aspects

Deadline for Abstracts: November 28, 2011

Hosted by

Organized by
